TumbleBus Gymnastics

The Helen R. Walton Children's Enrichment Center offers a "whole child" approach to child development. Extracurricular activities provide children with the opportunity to participate in enriching and educational activities, without leaving the Center.

CLASS OBJECTIVES

- Improve coordination, fitness, balance and strength
- Enhances physical and motor development through gymnastic activities
- Promote self-confidence

WHO

TumbleBus Gymnastics (872-TBUS) provides structured weekly lesson plans to children (ages 3 to 5) who participate in the program. It is a non-competitive program taught by an instructor with a 15 year background in gymnastics and child care. Jamie Adams has been conducting classes at the Center for over 10 years.

WHEN

Classes are offered once each week for 30 minutes. Make-up classes due to instructor absence will be conducted on Fridays.

HOW MUCH

TumbleBus is an extra curricular, fee-based activity that is offered to the children who attend the Helen R. Walton Children's Enrichment Center. There are two payment plans:

- PLAN A: 4 Months
\$140.00 for 16 weeks
- PLAN B: Monthly
\$35.00 per month, due at the 1st of each month.

Enrollment and Payment Policy:

A \$4 late fee will be assessed to all late accounts. I understand that I am committing to this year's program and I can withdraw at any time as long as I contact the TUMBLEBUS office. I understand that my child will be taken to class each week unless I notify the TUMBLEBUS office otherwise. I recognize that a risk is involved in participating in gymnastics and related activities. I understand that to minimize this risk, it is necessary for children to adhere to rules and discipline. I, the undersigned parent or guardian, release TUMBLEBUS, their officers, instructors and the Helen R. Walton Children's Enrichment Center, from all responsibilities and claims for injuries received while participating or practicing gymnastics and its related activities.
