NO Flip Flop Zone

Great for the pool, great at home, not so great at school! Playgrounds and flip flops have resulted in a few broken toes over the years.

Please make sure children wear shoes with a back strap!

Employee of the Month

Jane Ryan, Mikayla Janssen, and Tammy Thompson

I have been traveling overseas for work for 2 weeks this month, and this is the longest I've ever been away from our baby. Our family is so appreciative of all the additional support {my son's} teachers have shown while I've been away. They have kept me updated with lots of pictures, been full of encouragement for my husband, and have helped to keep things as normal and consistent for {my son} while I've been away. They have gone the extra mile to make sure he felt extra love and support while I was gone.

From the words of encouragement to my husband and other family members helping while I am away, to the extra rocking and nurturing of our baby, I am forever thankful for them. It has allowed me to focus on my work and do my best while away and has allowed for {my son} to not miss a beat while I've been away.

They haven't had to do any of the things they have done, but they naturally did anyway. My husband and I are so thankful for the Fireflies teachers!

Tammy – 2 year team member and Child Development Associate

Jane – 10 years team member and AAS

Mikayla – 1 year team member and a BA
